News & Notes | Stories, updates and opportunities from the Gray Family Foundation

News & Notes

Be Part of Oregon's Strong Legacy

Pledge to Vote Yes on Measure 99

This November, Measure 99 will give Oregon voters the opportunity to secure Outdoor School for All fifth or sixth graders statewide and create a lasting legacy for generations to come. Join us by [lending your name here](#) to support the campaign. For the many benefits it offers children, our local economy, and Oregon's outdoor way of life, please pledge to vote Yes on Measure 99.

The OutdoorStories Project

In late spring 2016, Oregon Outdoor Education Coalition's [OutdoorStories Project](#) began collecting, recording, documenting, and disseminating more than 100 personal stories from Oregonians of all ages and backgrounds. These narratives tell the impact of Outdoor School and outdoor education on their lives. Scroll through them, add your story, and share widely!

2016 EEAO Conference

Join us at Suttle Lake United Methodist Camp near Sisters for *Enhancing Our Communities Through Environmental Education*, September 28-30th.

Enjoy the opportunity to network with others from across the state, to meet funders, learn best practices, celebrate EE, and more! This is the only state-wide environmental education conference in Oregon. You do NOT want to miss this professional development opportunity.

[Register Now through September 12th](#)

Outdoor Education Summit in Central Oregon

Join fellow leaders with diverse backgrounds in education, health, business, nonprofit, natural resources, government, conservation, and outdoor education to deepen your understanding of getting students outside! Participate with us in a day of collaboration, networking, and action.

Upcoming Grant Opportunities

**Our competitive grant cycles are closed for 2016.
Stay tuned for announcements regarding our 2017 grant cycle(s) later this year.**

The Gray Family Foundation is founded on the belief that fostering an understanding and appreciation of our natural world is a crucial part of a child's education. By supporting programs such as Outdoor School, geography education and professional development for teachers, we seek to give Oregon students a greater understanding of the world outside their classroom.
